PERFORMANCE & DIVIDEND

Inspite of having global meltdown and general recessionary trend and our Country is not an exception to the same; your company has continued to post good performance for the year under review. The company has earned gross revenue of Rs.74.29 crores which is about 20% higher as compared to the previous fiscal year. Again, export is the main driver of the higher revenue and thus your company has achieved export turnover of Rs.14.58 crores for the current fiscal year as against Rs.1.29 crores for the corresponding previous year showing 10.30 times increase in the export revenue.

Your company has earned net profit of Rs.7.15 crores for the year under review as compared to Rs.5.22 crores for the earlier previous year showing an increase of about 37%. Thus, there is remarkable growth in the top line as well as bottom line of the company for the year under review.

In view of the better performance and considering the tradition of the company, your directors have recommended dividend at the rate of 18% for the fiscal year 2008-09, which works out to Rs. 91.26 lacs.

FUTURE PROSPECTS

As you are aware that the company is in engineering industry and is engaged in manufacturing/fabricating tailor made machines and therefore, the order book position of such type of company can play a pivotal role in the growth of the company. Your directors are pleased to state that continuing the past trend, the company is having confirmed orders of about Rs.47 crores on hand as of June,2009. Thus, inspite of the general slow down and global recessionary trend, your directors are confident of repeating similar growth in line with the past trend for the fiscal year 2009-10. However, your directors are cautious and making untiring efforts so as not to compromise on growth, quality and profitability of the company.

As per the present policy of the Government of India, there is a thrust on development of various infrastructure sectors and accordingly Government is continuously spending and developing refineries, fertilizer projects, thermal power plant, and Nuclear power plant. There is a wide scope for the company to supply the capital goods equipments to the companies under this segment. Thus the company can supply equipments like Shell & Tube heat Exchangers, Pressure Vessels & Columns, Air Cooled Heat Exchangers and Air Conditioning and Refrigeration equipments to this segment. More so, with the conclusion of recent nuclear deal, there is a wide scope for the companies like your company for supplying capital goods to this companies considering the past experience and successful execution of the orders of the nuclear power plant in the past. Thus, your directors are quite bullish on repeating similar performance in future.

DEPOSITS

The Company has not invited / accepted any deposits from the public under the provisions of Section 58A of the Companies Act, 1956 and rules made there under.

DIRECTORS

Shri Narayanbhai G. Patel and Shri Umakantbhai G. Majmudar, retire by rotation and being eligible offer themselves for the reappointment. Your Directors recommend re-appointment of Shri Devidas C. Narumalani as a Whole Time Director of the Company for three years effective from 14th July, 2009 on the terms & conditions as mentioned in Notice of the forthcoming Annual General Meeting.

The particulars of the directors retiring by rotation are given in the notice / explanatory statement portion of the accompanying notice.

MANAGEMENT DISCUSSION AND ANALYSIS**INDUSTRY STRUCTURE AND DEVELOPMENT**

The Company is engaged in the manufacture and sale of extensive range of Heat Exchangers such as Shell & Tube type, Finned tube type and Air cooled Heat Exchangers, Pressure Vessels, Air-conditioning and Refrigeration equipments and Turnkey HVAC Projects in India & marketing of equipments even outside India. The Company has technical collaboration with M/S. TEK FINS Inc. USA for design and manufacture of Air cooled Heat Exchangers. All these products are supplied to leading Industrial Sections like Power Projects, Refineries, Fertilizers, Cements, Petrochemicals, Pharmaceuticals, Textile and Chemical Industries.

With the highly innovative environment, the Company could sustain its sales even in highly cut-throat competition and the prevailing market conditions.

PRODUCT – WISE PERFORMANCE

The Company is operating in one segment i.e. engineering fabrication having different products, such as Heat Exchangers, Air Cooled Heat Exchangers, Pressure Vessels, Air-conditioning & Refrigeration Equipments, Turnkey HVAC projects and other Misc. products, the turnover of which are given in Notes on Accounts portion of the Annual Report. Your company has decided to stick to high value added engineering products. These products are regularly procured by the Industrial Process Plants / Units. These products have ASME 'U' Stamp authorization, it is expected to improve profitability of the company in the future. For updating Heat Transfer Technology, Company has become member of HTRI (Heat Transfer Research, Inc, U.S.A.).

EXPORT PERFORMANCE

During the year under review the company has effected exports to the tune of Rs. 1457.97 lacs. The Company is expected to perform better results in the exports in the year 2009-10 compared to the exports achieved during the year 2008-09.

FUTURE OUTLOOK

For each industry confirmed orders are significant for determining the growth rate of the Company and for Directors are pleased to inform that the company has about Rs.47.00 crores of orders are on hand as on June, 2009. Even though in the time of slowdown and global recession, your Directors are confident of achieving 20% increase in the turnover of the company in the financial year 2009-10 as compared to financial year under review. Your Company has achieved satisfactory performance during the year under review and the financial results reflect the same.

The Board of Directors of the Company firmly believes that now the Government is spending on Refineries, Fertilizer projects, Thermal Power plants and Nuclear Power Plants, there is immense scope for your Company to supply the capital goods equipments like Shell & Tube Heat Exchangers, Pressure Vessels & Columns, Air Cooled Heat Exchangers and Air Conditioning & Refrigeration equipments. In the past, your Company had successfully executed several orders of Nuclear Power Corporation of India and now the Nuclear deal is completed by the Central Government of India, there is immense scope in upcoming many Nuclear Power Plants in our country and in turn your scope of getting good orders from Nuclear Power Corporations are sizeable.

OPPORTUNITIES

Export in the developed countries like USA & Europe is to be developed and it is expected to provide large impetus to engineering exports to these countries after obtaining the ASME 'U' Stamp Authorisation. Your company is preparing itself to meet the increased demand in the years to come through efficient production management system which will enable to minimize the risk of raw materials price fluctuations.

RISK FACTORS

The industry is facing stiff competition from big players who are producing on large scale production and have the advantage of economise in cost, facing challenges from cheaper imports and the industry is also facing risks from unorganized sector particularly from the marketing in the state and nearby states which have major thrust on Air-conditioning and Refrigerator parts. However, Your Company does not foresee any risk due to its concentration on quality commitment for better products and prompt after sales and service. The Government of India's measures to curb cheaper imports imposing anti dumping duties and other restrictions will give much needed relief to the domestic industry.

FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE AND ITS REVIEW

Your company could achieve better results due to improvement in the economic scenario and overall growth of the industries due to good rain and all round growth of other sectors.

Your company is conscious that order booking is significant for determining the growth rate of the company. Your Directors are pleased to note that the company has about Rs. 47.00 crores of order on hand to be executed. Your Directors are confident of achieving 20% increase in the turnover of the company in the financial year 2009-10 as compared to financial year under review. Your company has achieved better performance during the year under review and the financial results reflect the same.

SCHEDULE : 21**1. SIGNIFICANT ACCOUNTING POLICIES****i) METHOD OF ACCOUNTING**

The financial statements are prepared under the historical cost convention in accordance with generally accepted Accounting Principles in India & the Provisions of the Companies Act, 1956 and the applicable accounting standards notified under the Companies Accounting Standards Rule, 2006.

ii) RECOGNITION OF INCOME & EXPENDITURE

Revenues/Incomes and costs / expenditures are generally accounted on accrual, as they are earned or incurred. Sales are inclusive of excise duty but exclusive of Sales Tax / VAT collected.

iii) EXCISE DUTY

Excise duty is accounted on the bases of both, payment made in respect of goods cleared and also provision made for goods lying in bonded warehouses. Excise duties in respect of Finished Goods lying in stock are shown separately as an item of Other Manufacturing Expenses.

iv) FIXED ASSETS

(a) Fixed assets are stated at cost (net off of Cenvat & VAT), less accumulated depreciation (other than land and goodwill where no depreciation is charged).

(b) Capital Work in Progress is stated at cost.

(c) Intangible assets are recorded at the consideration paid for acquisition.

v) INVESTMENTS

Current investment are carried at the lower of cost or quoted/fair value. Long Term Investments are stated at cost of acquisition. Provision for diminution in the value of long term investment is made only if such a decline is other than temporary.

vi) VALUATION OF INVENTORIES

a) Raw materials are valued at cost or net realizable value whichever is lower.

b) Work in progress has been valued at cost of materials and labour charges together with relevant factory overheads.

c) Finished Goods are valued at cost or net realizable value which ever is lower. (inclusive Excise Duty).

d) Goods in transit are valued at cost.

vii) METHOD OF DEPRECIATION

(a) Depreciation on fixed assets (other than land where no depreciation is provided) has been provided on straight line method in accordance with the provisions of section 205(2)(b) of the Companies Act, 1956, at the rates specified in Schedule XIV to the Companies Act, 1956.

(b) Depreciation in respect of fixed assets put to use during the year is charged on pro-rata basis with reference to the installation of the assets.

(c) No depreciation has been provided on the assets where the accumulated depreciation has exceeded 95% of its cost.

(d) No depreciation has been provided in respect of Capital Work In Progress.

(e) No depreciation has been provided on self generated intangible assets.

viii) FOREIGN CURRENCY TRANSACTIONS

Transactions in foreign currencies are translated to the reporting currency based on the exchange rate on the date of the transaction. Exchange differences arising on settlement thereof during the year are recognized as income or expenses in the Profit & Loss Account.

Cash and bank balances, receivables and liabilities (monetary items) in foreign currencies as at the year end are translated at closing-date rates, and unrealized translation differences are included in the Profit & Loss Account.

ix) IMPAIRMENT OF ASSETS

The carrying amounts of assets are reviewed at each balance sheet date, if there is any indication of impairment based on internal/external factors. An asset is impaired when the carrying amount of the asset exceeds the recoverable amount. An Impairment loss is charged to the profit and loss Account in the year in which an asset is identified as impaired. An impairment loss recognized in prior accounting periods is reversed if there has been change in the estimate of the recoverable amount.

x) TAXATION

- Income –tax expense comprise of current tax, wealth tax, fringe benefit tax (FBT) and deferred tax charge or credit.
- Provision for current tax is made on the basis of the assessable income at the tax rate applicable to the relevant assessment year.
- Provision for FBT is made on the basis of fringe benefit provided / deemed to have been provided during the year at the rates and values applicable to the relevant assessment year.
- The deferred tax asset and deferred tax liability is calculated by applying tax rate and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets arising mainly on account of brought forward losses and unabsorbed depreciation under tax laws, are recognized, only if there is a virtual certainty of its realization, supported by convincing evidence. Deferred tax assets on account of other timing differences are recognized only to the extent there is a reasonable certainty of its realization. At each balance sheet date, the carrying amounts of deferred tax assets are reviewed to reassure realization.

xi) RETIREMENT BENEFITS

a) Short Term

Short term employee benefits are recognized as an expense at the undiscounted amount expected to be paid over the period of services rendered by the employees to the company.

b) Long Term

The company has both defined contribution and defined benefit plans, of which some have assets in approved funds. These plans are financed by the Company in the case of defined contribution plans.

c) Defined Contribution Plans

These are the plans in which the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. These comprise of contribution to Employees Provident Fund. The Company's payments to the defined contribution plans are reported as expenses during the period under which an employee perform the services that the payment covers.

d) Defined Benefit Plans

Expenses for defined benefit gratuity payment plans are calculated as at the balance sheet date by independent actuaries in the manner that distributes expenses over the employees working life. These commitments are valued at the present value of the expected future payments, with consideration for calculated future salary increase, using a discounted rate corresponding to the interest rate estimated by the actuary having regard to the interest rate on Government Bonds with a remaining terms i.e. almost equivalent to the average balance working period of employees.

e) Leave Encashment

Leave Encashment is accounted for as and when paid and to that extent there is a contravention of Accounting Standard 15, which has become mandatory. However the quantum of leave encashment payable is not worked out and therefore it is not possible to quantify the effect of the same on Profit & Loss Account.

xii) CONTINGENT LIABILITES/ CONTINGENT ASSETS

- a) Contingent liabilities are disclosed by way of note in the Balance Sheet.
- b) Contingent Assets are neither recognized nor disclosed in the Financial Statements.

Kalol, Dist. Gandhinagar and also equitable mortgage on plot no 811 as collateral security and is also personally guaranteed by the Promoters of the company.

8. The Company has not received information from the suppliers regarding their status under the Micro, Small & Medium Enterprises Development Act, 2006. Hence, disclosure, if any, relating to amount unpaid as at the balance sheet date together with interest paid or payable as per the requirement under the said Act have not been made.
9. In the opinion of the Board of Directors, the current assets, loans and advances are approximately of the value stated, if realised in the ordinary course of business. The provisions for depreciation and all known and ascertained liabilities are adequate and not in excess of the amounts reasonably necessary.
10. Balances of Sundry debtors, Creditors and loans and advances are subject to confirmation from respective parties.
11. Inventories of finished goods costing around Rs. 1.45 Lacs (P.Y Rs 2.44 lacs) are non-moving in nature. However, the management is of the view that they are in good condition and are realizable in ordinary course of business and therefore, no provision is considered necessary in respect of the said non-moving inventories.
12. The recoveries in respect of certain receivables have become sticky/disputed. However, the company has taken appropriate steps including initiation of legal proceedings wherever required for the purpose of recovery of such sticky book debts. Since the company is fairly confident of successfully recovering majority of the said sticky debts, the company has not considered it necessary for making any provision for doubtful debts. The recoveries of certain sticky / disputed receivables have become suspectable and in opinion of the management they becomes doubtful. The management is of the opinion that it is in the interest of the company to write off the same and also the company has taken appropriate steps including initiation of legal proceedings where ever required.
