MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE AND DEVELOPMENT

The Company is engaged in the manufacture and sale of extensive range of Heat Exchangers such as Shell & Tube type, Finned tube type and Air cooled Heat Exchangers, Pressure Vessels, Air-conditioning and Refrigeration equipments and Turnkey HVAC Projects in India & marketing of equipments even outside India. All these products are supplied to leading Industrial Sections like Power Projects, Refineries, Fertilizers, Cements, Petrochemicals, Pharmaceuticals, Textile and Chemical Industries.

With the highly innovative environment, the Company could sustain its sales even in highly cut-throat competition and the prevailing market conditions.

PRODUCT – WISE PERFORMANCE

The Company is operating in one segment i.e. engineering fabrication having different products, such as Heat Exchangers, Air Cooled Heat Exchangers, Pressure Vessels, Air-conditioning & Refrigeration Equipments, Turnkey HVAC projects and other Misc. products, the turnover of which are given in Notes on Accounts portion of the Annual Report. Your company has decided to stick to high value added engineering products. These products are regularly procured by the Industrial Process Plants / Units. These products has ASME “U”/ “U2”/ “S” Stamp authorization, it is expected to improve profitability of the company in the future. For updating Heat Transfer Technology, Company has become member of HTRI (Heat Transfer Research, Inc, U.S.A.).

FUTURE OUTLOOK

The long-term fundamentals of the Indian economy which is expected to remain strong. Key fundamentals generally include demographics, rising income and purchasing power of population and large investment in pipeline. The growth of the economy is being driven primarily by domestic investment and consumption, with limited dependence on exports or the demand situation in other economies. At the same time, there are some concerns, particularly with regard to inflation. Inflationary pressures emerging from commodity and food prices have shown signs of becoming more generalised, leading to the containing of inflation becoming the key priority of policy makers. In addition, the global economic environment continues to remain uncertain with slow recovery and fiscal concerns in developed markets. Keeping in mind the aforesaid factors, your company will make all efforts to encash the opportunities which come across.

OPPORTUNITIES

Export in the developed countries like USA, Canada & Europe and other countries like Nigeria, Indonesia, Zambia etc. is to be developed and it is expected to provide large impetus to engineering exports to these countries after obtaining the ASME “U”/ “U2”/ “S” Stamp Authorisation. Your company is preparing itself to meet the increased demand in the years to come through efficient production management system which will enable to minimize the risk of raw materials price fluctuations.

RISK FACTORS

Risk is an integral part of every business and your company always tries to deliver superior shareholder value by achieving an appropriate trade-off between risk and returns. Our risk management strategy is based on a clear understanding of various risks i.e. operational risk, marketing risk involved, systematic risk assessment and taking steps to overcome risks and continuous monitoring.

The industry is facing stiff competition from big players who are producing on large scale production and have the advantage of economies in cost, facing challenges from cheaper imports and the industry is also facing risks from unorganized sector particularly from the marketing in the state and nearby states which have major thrust on Air-conditioning and Refrigerator parts. However, Your Company does not foresee any risk due to its concentration on quality commitment for better products and prompt after sales and service. The Government of India's measures to curb cheaper imports imposing anti dumping duties and other restrictions will give much needed relief to the domestic industry.

QUALITY CONTROL

The Company features its achievements to adherence to strict quality standards. This has been achieved through our efforts to strike the balance between resources and technology to develop products at same level in excellence with international standards. The quality standard is taken care from the initial stage of production to ensure high end product quality.

INTERNAL CONTROL SYSTEM

The Company has adequate internal control system in operation commensurate with the size and nature of its business for enduring efficiency of operation and protection of Company's assets. The Audit Committee formed by the company review on periodical basis the compliance with the Company's policies, procedures and prevailing laws.

INDUSTRIAL RELATION & HUMAN RESOURCES

To praise the sophisticated production process, we have a team of experienced workers who are skilled and trained to get best out of it. Regular orientation programs are being conducted by the company wherein workers are directly exposed to the experts, which keep them with the latest technology and development.

The Company's philosophy is to provide to its employees friendly working environment and a performance oriented work culture. The company believes that human resources are important asset for giving Company a competitive edge in a competitive environment.

INDEPENDENT AUDITORAS' REPORT

To
The Members of
PATELS AIRTEMP (INDIA) LTD.

Report on the Financial Statements

We have audited the accompanying financial statements of **M/s PATELS AIRTEMP (INDIA) LIMITED** ("the Company") which comprise the Balance Sheet as at March 31, 2015, the Statement of Profit and Loss and the Cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

SIGNIFICANT ACCOUNTING POLICIES

A. SIGNIFICANT ACCOUNTING POLICIES

i) BASIS OF PREPARATION

These financial statements have been prepared to comply in all material aspects with applicable accounting principles in India, the applicable Accounting Standards prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified) and other accounting principles generally accepted in India, to the extent applicable.

ii) USE OF ESTIMATES

The preparation of the financial statements in conformity with GAPP requires the Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

iii) RECOGNITION OF INCOME & EXPENDITURE

Revenues/Incomes and costs / expenditures are generally accounted on accrual, as they are earned or incurred. Sales are inclusive of excise duty but exclusive of Sales Tax / VAT collected. With regard to sale of product, Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Export Incentives are accounted on Accrual Basis.

iv) EXCISE DUTY

Excise duty is accounted on the bases of both, payment made in respect of goods cleared and also provision made for goods lying in bonded warehouses. Excise duties in respect of Finished Goods lying in stock are shown separately as an item of Other Expenses.

v) FIXED ASSETS

- (a) Fixed assets are stated at cost (net off of Cenvat & VAT), less accumulated depreciation (other than land and goodwill, where no depreciation is charged).
- (b) Capital Work in Progress is stated at cost.
- (c) Intangible assets are recorded at the consideration paid for acquisition.

vi) INVESTMENTS

Current investment if any are carried at the lower of cost or quoted/fair value. Long Term Investments are stated at cost of acquisition. Provision for diminution in the value of long term investment is made only if such a decline is other than temporary.

vii) VALUATION OF INVENTORIES

- a) Raw materials are valued at lower of cost or net realizable value.
- b) Work in progress is valued at cost of materials and labour charges together with relevant factory overheads.
- c) Finished Goods are valued at lower of cost or net realizable value.
- d) Goods in transit are valued at cost.

viii) METHOD OF DEPRECIATION

- (a) Depreciation on fixed assets (other than land & goodwill, where no depreciation is provided) has been provided on Straight Line method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013
- (b) Depreciation on additions to Assets during the year is being provided on pro-rata basis with reference to month of acquisition/installation as required by Schedule II of the Companies Act, 2013.
- (c) Intangible assets are amortized over a period of 8 years.
- (d) No depreciation has been provided on the assets where the accumulated depreciation has exceeded 95% of its original cost.
- (e) No depreciation has been provided in respect of Capital Work In Progress.
- (f) No depreciation has been provided on self generated intangible assets.

ix) FOREIGN CURRENCY TRANSACTIONS

Transactions in the foreign currency which are covered by forward contracts are accounted for at the contracted rate; the difference between the forward rate and the exchange rate at the date of transaction is recognized in the Statement of profit & loss over the life of the contract. Foreign currency denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the Balance Sheet date. The gains or losses resulting from such translations are included in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction. Revenue, expense and cash-flow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction. Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled.

x) IMPAIRMENT OF ASSETS

The Management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired. An impairment loss is recognized wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's net selling price and value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. An impairment loss for an asset other than goodwill is reversed if, and only if, the reversal can be related objectively to an event occurring after the impairment loss recognized. The carrying amount of an asset other than goodwill is increased to its revised recoverable amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment losses been recognized for the asset in prior years.

xi) TAXATION

- Income-tax expense comprise of current tax, wealth tax and deferred tax charge or credit.
- Provision for current tax is made on the basis of the assessable income at the tax rate applicable for the relevant assessment year.
- The deferred tax asset and deferred tax liability is calculated by applying tax rate and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets arising mainly on account of brought forward losses and unabsorbed depreciation under tax laws, are recognized, only if there is a virtual certainty of its realization, supported by convincing evidence. Deferred tax assets on account of other timing differences are recognized only to the extent there is a reasonable certainty of its

realization. At each balance sheet date, the carrying amounts of deferred tax assets are reviewed to reassure realization.

xii) RETIREMENT BENEFITS

a) Short Term

Short term employee benefits are recognized as an expense at the undiscounted amount expected to be paid over the period of services rendered by the employees to the company.

b) Long Term

The company has both defined contribution and defined benefit plans, of which some have assets in approved funds. These plans are financed by the Company in the case of defined contribution plans.

c) Defined Contribution Plans

These are the plans in which the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. These comprise of contribution to Employees Provident Fund. The Company's payments to the defined contribution plans are reported as expenses during the period under which an employee perform the services that the payment covers.

d) Defined Benefit Plans

Expenses for defined benefit gratuity payment plans are calculated as at the balance sheet date by independent actuaries in the manner that distributes expenses over the employees working life. These commitments are valued at the present value of the expected future payments, with consideration for calculated future salary increase, using a discounted rate corresponding to the interest rate estimated by the actuary having regard to the interest rate on Government Bonds with a remaining terms i.e. almost equivalent to the average balance working period of employees.

e) Leave Encashment

The company is providing for Leave Encashment on the basis of unavailed leave by the employees.

xiii) CONTINGENT LIABILITES/ CONTINGENT ASSETS

a) Contingent liabilities are disclosed by way of note in the Balance Sheet.

b) Contingent Assets are neither recognized nor disclosed in the Financial Statements.

ix) CASH FLOW STATEMENT

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows.. The Cash flows from operating, investing and financing activities of the Group are segregated.

Cash and Cash equivalents presented in the Cash Flow Statement consist of cash on hand and demand deposits with banks.

x) EARNING PER SHARE :

Basic earning per share is calculated by dividing the net profit after tax for the year attributable to Equity Shareholders of the Company by the weighted average number of Equity Shares in issue during the year. Diluted earning per Share is calculated by dividing net profit attributable to equity Shareholders (after adjustment for diluted earnings) by average number of weighted equity shares outstanding during the year.

xi) PROPOSED DIVIDEND & CORPORATE DIVIDEND TAX

Dividend proposed by the Board of Directors for the year under review along with corporate dividend tax if any, is provided in the books of accounts. Approval in the General Meeting is pending for the same.
