PAYMENT OF DIVIDEND

- (a) The Company has notified closure of Register of Members and Share Transfer Books from 21st September, 2020 to 28th September, 2020 (both days inclusive) for determining the names of members eligible for dividend on Equity Shares, if declared at the Meeting.
- (b) Dividend of Re. 2.50 per share (@ 25 %) on Equity Shares for the year ended on 31st March, 2020 as recommended by the Board, if declared at the meeting, will be paid subject to deduction of tax at source :
 - a. to those members, whose names appear on the Register of Members after giving effect to all valid share transfers in physical form lodged with the Company/Share Transfer Agent on or before 19th September, 2020, or
 - b. in respect of shares held in electronic form, to those “Beneficial Owners” whose names appear in the Statement of Beneficial Ownership furnished by NSDL and CDSL as at the end of business hours on 19th September, 2020.
- (c) In order to receive dividend/s in a timely manner, Members holding shares in physical form who have not updated their mandate for receiving the dividends directly in their bank accounts through Electronic Clearing Service or any other means (“Electronic Bank Mandate”), can register their Electronic Bank Mandate to receive dividends directly into their bank account electronically or any other means, by sending scanned copy of the details/documents by email to reach the Company’s email address share@patelsairtemp.com.
- (d) In the event the Company is unable to pay the dividend to any Member directly in their bank accounts through Electronic Clearing Service or any other means, due to non-registration of the Electronic Bank Mandate, the Company shall dispatch the dividend warrant/ Bankers’ cheque/ demand draft to such Member, at the earliest once the normalcy is restored.
- (e) Members holding shares in electronic form may note that bank particulars registered against their respective depository accounts will be used by the Company for payment of dividend. The Company or its Registrar and Transfer Agent, cannot act on any request received directly from the members holding shares in electronic form for any change of bank particulars or bank mandates. Such changes are to be advised only to the Depository Participant by the members.

COMMUNICATION ON TAX DEDUCTION AT SOURCE (TDS) ON DIVIDEND DISTRIBUTION

- (a) Pursuant to Finance Act, 2020, dividend income will be taxable in the hands of the shareholders w.e.f. 1st April 2020 and the Company is required to deduct tax at source (“TDS”) from dividend paid to the Members at prescribed rates in the Income Tax Act, 1961 (“the IT Act”). In general, to enable compliance with TDS requirements, Members are requested to complete and / or update their Residential Status, PAN, Category as per the IT Act with their Depository Participants or in case shares are held in physical form, with the Company by sending email to the Company’s email address at share@patelsairtemp.com.

The applicable Tax Deduction at Source (TDS) provisions under the Income Tax Act, 1961 for Resident and Non-Resident shareholder categories are as follows:

For resident shareholders:

For resident shareholders, generally, the tax will be deducted at source (TDS) under Section 194

of the Income Tax Act, 1961 @ 7.5% on the amount of dividend declared and paid by the Company during FY 2020-21 provided Permanent Account Number (PAN) is provided by the shareholder. If PAN is not submitted, TDS would be deducted @ 20% as per Section 206AA of the Income Tax Act, 1961.

No tax shall be deducted on the dividend payable to resident individuals if -

- i. Total dividend to be received by them during the Financial Year 2020-21 does not exceed Rs. 5,000/-
- ii. The shareholder provides a written declaration in prescribed Form 15G (applicable to any person other than a Company or a Firm) / Form 15H (applicable to an Individual above the age of 60 years), subject to eligibility conditions being met.

Notwithstanding anything contained above, in the case where the shareholders provide a certificate under Section 197 of the Income Tax Act, 1961 for lower / NIL withholding of taxes, the rate specified in the said certificate shall be considered based on submission of self-attested copy of the same.

NON-RESIDENT SHAREHOLDERS OR FOREIGN COMPANIES ('non-resident payee')

Tax is required to be withheld in accordance with the provisions of Section 195 of the Income Tax Act, 1961 at applicable rates in force. As per the said provisions, the tax shall be withheld @ 20% plus applicable surcharge and cess on the amount of dividend payable. However, as per Section 90 of the Income Tax Act, 1961, a non-resident payee has the option to be governed by the provisions of the Double Tax Avoidance Agreement (DTAA) between India and the country of tax residence of the shareholder, if they are more beneficial to the shareholder. For this purpose, e. to avail the DTAA benefits, the non-resident shareholder will have to provide the following:

Self-attested copy of Permanent Account Number (PAN Card), if any allowed by the Indian Income Tax authorities;

Self-attested copy of Tax Residency Certificate (TRC) obtained from the tax authorities of the country of which the shareholder is resident;

Self-declaration in Form 10F. Self-declaration by the non-resident payee containing such particulars/ confirmation as would be imperative to be governed by and/ or avail benefits, if any, under the applicable DTAA.

Notwithstanding anything contained above, in the case where the shareholders provide a certificate under Section 197 of the Income Tax Act, 1961 for lower / NIL withholding of taxes, the rate specified in the said certificate shall be considered based on submission of self-attested copy of the same.

Subject to what is stated above, the rate at which taxes are to be deducted at source based on the category of shareholders, are as under:

Resident Shareholders

Shareholder Category	Rate of TDS
Shareholders providing Form 15G/15H	NIL
If Dividend income < Rs. 5,000	NIL (for resident individuals)
If Dividend income > Rs. 5,000	- 7.5% in case where PAN is provided / available - 20%, in other cases where PAN is not provided / not available

Non - resident shareholders

Shareholder Category	Rate of TDS
Other Non-resident Shareholders	*20% or lower rate as mentioned in tax treaty, if the applicable details / documents are satisfactorily provided as aforementioned

*All the above referred tax rates shall be duly enhanced by the applicable surcharge and cess.

UNPAID/UNCLAIMED DIVIDEND & IEPF

- (a) The Unpaid / Unclaimed Dividend for the year 2012-2013, 2013-2014, 2014-2015, 2015-2016, 2016-2017, 2017-2018 & 2018-2019 will become due for transfer to Investor Education & Protection Fund (IEPF) in subsequent years. Those shareholders who have so far not en-cash their dividend warrants for the aforesaid financial years are advised to submit their claim to the Registrar and Transfer Agent / Company immediately quoting their folio number. EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 ("the Act") :

The following Statement sets out all material facts relating to the Special Business mentioned in the accompanying Notice :

ITEM NO. 5

Smt. Veenaben B. Patel (DIN : 07131341) was appointed as an Independent Woman Director on the Board of the Company by the Shareholders at the 23rd Annual General Meeting held on 19th September, 2015 for a first term of 5 (five) years up to the conclusion of this Annual General Meeting.

The Board of Directors at its meeting held on 14th August, 2020, taking into account the recommendation of the Nomination and Remuneration Committee and based on the skills, experience, knowledge and report of her performance evaluation, approved the re-appointment of Smt. Veenaben B. Patel as Independent Woman Director of the Company not liable to retire by rotation, for a second term of 5 (five) years up to the conclusion of the 33rd Annual General Meeting of the Company in the calendar year 2025. Her re-appointment is subject to the approval of the Shareholders at this Annual General Meeting by passing a Special Resolution.

Pursuant to the provisions of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, ("LODR Regulations"), an Independent Director shall hold office for a term up to five consecutive years on the Board of the Company and shall be eligible for re-appointment on passing of a Special Resolution by the Company and disclosure of such appointment in the Boards' Report.

The Company has received notice in writing from a member under Section 160 of the Companies Act, 2013, proposing her candidature for the office of Independent Director of the Company.

Section 149 of the Act and provisions of LODR Regulations inter alia prescribe that an Independent Director of a company shall meet the criteria of independence as provided in Section 149(6) of the Act. The Company has received declaration from Smt. Veenaben B. Patel that she meet with the criteria of independence as prescribed both under sub-section (6) of Section 149 of the Act and under the LODR Regulations.

In the opinion of the Board, Smt. Veenaben B. Patel fulfils the conditions specified in the Companies Act, 2013 and Rules made thereunder and LODR Regulations for her re-appointment as an Independent Woman Director of the Company and is independent of the management. In terms of Regulation 25(8) of SEBI Listing Regulations, she has confirmed that she is not aware of any circumstances or situation which exists or may be reasonably anticipated that could impair or impact her ability to discharge her duties as an Independent Woman Director.

Details of core skills and expertise of Smt. Veenaben B. Patel have been given in Corporate Governance Report included in this Annual Report, which forms part of Directors' Report.

The copy of the letter for appointment of Independent Directors setting out the terms and conditions

would be available for inspection without any fee by the members at the Works (Factory) / Registered Office of the Company and on website of the Company at <http://www.patelsairtemp.com>.

Smt. Veenaben B. Patel is not disqualified from being appointed as Director in terms of Section 164 of the Act. Further, in terms of SEBI Circular dated June 20, 2018, Smt. Veenaben B. Patel is not debarred from holding the office of Director by virtue of any SEBI Order or any other such authority. She is not related to any other Director on the Board.

Mrs. Veenaben B. Patel holds 1,079 Equity Shares of Rs. 10/- each of the Company (0.02 % Share Capital of the Company).

The Board considers that her continued association would be benefit to the Company as it has been beneficial in the past and it is desirable to avail services of Smt. Veenaben B. Patel as an Independent Woman Director. Accordingly, the Board recommends the resolution for the approval by the Shareholders in relation to re-appointment of Smt. Veenaben B. Patel as an Independent Woman Director on the Board of the Company, not liable to retire by rotation and to hold office for a second term of 5 (five) years up to the conclusion of the 33rd Annual General Meeting of the Company in the calendar year 2025.

Details of Director whose re-appointment as Independent Director is proposed at Item No. 5, are provided in the "Annexure" to the Notice pursuant to the provisions of LODR Regulations and Secretarial Standard on General Meetings ("SS-2") issued by the Institute of Company Secretaries of India.

Save and except, Smt. Veenaben B. Patel and her relatives, to the extent of their shareholding interest, if any, in the Company, none of the other Directors / Key Managerial Personnel and their relatives are in any way, concerned or interested, financially or otherwise, in the Resolution(s) set out at Item No. 5.

This statement may also be regarded as an appropriate disclosure under the LODR Regulations.

The Board commends the Special Resolution set out at Item No. 5 of the Notice for approval by the members.

ANNEXURE-C TO DIRECTORS' REPORT MANAGEMENT DISCUSSION AND ANALYSIS

ECONOMIC OUTLOOK

India has been among the fastest-growing economies in the world over the past few years. However, the year under review has been particularly challenging with the economy hitting one of its lowest growth records seen in recent past on account of weak macro-economic conditions. According to the IMF World Economic Outlook, India's GDP grew at 4.2% in FY 20 compared to 6.1% in the previous year. Over the medium to longer run, India is well placed to witness strong growth on the back of its structural growth drivers.

Due to the outbreak of novel COVID-19 pandemic during the fourth quarter and subsequent restriction of movement caused severe economic disruption and further exacerbated the prevailing stress on economy. To protect and jumpstart the lockdown-battered economy, Government launched a Rs. 20 lakh crore all-inclusive stimulus package called "Atmanirbhar Bharat" focussing on land, labour, liquidity, and laws and will cater to the various small, medium and large industries, labourers, middle class, urban and rural poor. The initial lockdown meant a complete slowdown of the economy however it has very limited effect on demand for the Company's products and services. This is an unprecedented worldwide event, which is currently ongoing.

Global economic growth exhibited signs of sluggishness in FY 20 driven by weakness in a few emerging economies resulting in slower global manufacturing and trade. The concerns around Brexit and the continuing trade war between United States and China provided additional stimulus to already dampening global macro-economic conditions. The International Monetary Fund (IMF), in its World Economic Outlook, April 2020, calculated a global economic growth of 2.9% in CY2019, a significant fall from 3.6% in CY2018. Following the outbreak of COVID-19, global economy charted an unprecedented curve, multiplexed by uncertainties. Most of the economies across the world have been severely impacted due to restriction of movement, crippling trade, and businesses. IMF projects the global growth rate to shrink by 3% in CY2020. However, if the pandemic is contained by the second half of CY2020, it suggests the global economy will likely grow by 5.8% in CY2021, supported by fiscal and monetary measures.

FINANCIAL AND OPERATIONAL PERFORMANCE

Your Company is operating in single segment namely engineering fabrication. This discussion, covers the financial results and other developments during April 2019 to March 2020, in respect of the Company.

Although tough economic conditions continued in the year under review, your Company was able to record significant improvement in performance owing to growth in the areas of manufacturing of Industrial Machineries and fabrication. Manufacturing of Industrial Machineries and fabrication having different products maintained its performance while protective coatings continued to face tough market demand conditions.

The Company has earned total revenue from operations of Rs. 23741.90 lakhs during the year ended on 31st March, 2020 as against Rs. 15094.89 lakhs earned during the previous year ended on 31st March, 2019 a rise of 57.28%. The Company has also earned other income of Rs. 187.81 lakhs during the year under review as against Rs. 79.27 lakhs earned during the previous year.

Out of the revenue from operations of Rs. 23741.90 lakhs earned by the Company during the year under review, Rs. 23227.08 lakhs represents sale of products (Domestic & Export), Rs. 139.11 lakhs represents sale of Services (Processing Charges) and Rs. 375.71 lakhs represents other operating revenues.

The Company has incurred total expenses of Rs. 22450.83 lakhs during the year ended on 31st March, 2020 as compared to Rs. 14122.38 lakhs incurred during the previous year ended on 31st March, 2019.

INDUSTRY STRUCTURE AND DEVELOPMENT

The Company is engaged in the manufacture and sale of extensive range of Heat Exchangers such as Shell & Tube Type, Finned Tube Type and Air Cooled Heat Exchangers, Pressure Vessels, Air-conditioning and Refrigeration equipments and Turnkey HVAC Projects in India & marketing of equipments even outside India. All these products are supplied to leading Industrial Sections like Power Projects, Refineries, Fertilizers, Cements, Petrochemicals, Pharmaceuticals, Textile and Chemical Industries.

With the highly innovative environment, the Company could sustain its sales even in highly cut-thought competition and the prevailing market conditions.

PRODUCT – WISE PERFORMANCE

The Company is operating in one segment i.e. engineering fabrication having different products, such as Heat Exchangers, Air Cooled Heat Exchangers, Pressure Vessels, Air-conditioning & Refrigeration Equipments, Turnkey HVAC projects and other Misc. products, the turnover of which are given in Notes on Accounts portion of the

Annual Report. Your company has decided to stick to high value added engineering products. These products are regularly procured by the Industrial Process Plants / Units. These products has ASME “U”/ “U2”/ “S” and “N & NPT” Stamp authorization, it is expected to improve profitability of the company in the future. For updating Heat Transfer Technology, Company has become member of HTRI (Heat Transfer Research, Inc, U.S.A.).

FUTURE OUTLOOK

Considering the current COVID-19 pandemic scenario, the industry is expected to take some time to recover and normalcy in business would take few quarters or perhaps more. Any outlook at this point of time is heavily contingent upon the intensity, spread and duration of the pandemic.

Global growth is projected at -4.9 percent in 2020, 1.9 percentage points below the April 2020 World Economic Outlook (WEO) forecast. The COVID-19 pandemic has had a more negative impact on activity in the first half of 2020 than anticipated, and the recovery is projected to be more gradual than previously forecast. In 2021 global growth is projected at 5.4 percent. Overall, this would leave 2021 GDP some 6½ percentage points lower than in the pre-COVID-19 projections of January 2020.

OPPORTUNITIES

Export in the developed countries like USA, Canada & Europe and other countries like Nigeria, Indonesia, Zambiaetc. is to be developed and it is expected to provide large impetus to engineering exports to these countries afterobtaining the ASME “U”/ “U2”/ “S” and “N & NPT” Stamp Authorization. Your company is preparing itself to meet the increased demand in the years to come through efficient production management system which will enable to minimize the risk of raw materials price fluctuations.

RISK FACTORS

Risk is an integral part of every business and your company always tries to deliver superior shareholder value by achieving an appropriate trade-off between risk and returns. Our risk management strategy is based on a clear understanding of various risks i.e. operational risk, marketing risk involved, systematic risk assessment and taking steps to overcome risks and continuous monitoring.

The industry is facing stiff competition from big players who are producing on large scale production and have the advantage of economies in cost, facing challenges from cheaper imports and the industry is also facing risks from unorganized sector particularly from the marketing in the state and nearby stateswhich have major thrust on Air-conditioning and Refrigerator parts. However, Your Company does not foresee any risk due to its concentration on quality commitment for better products and prompt after sales and service. The Government of India’s measures to curb cheaper imports imposing anti dumping duties and other restrictions will give much needed relief to the domestic industry.

QUALITY CONTROL

The Company features its achievements to adherence to strict quality standards. This has been achieved through our efforts to strike the balance between resources and technology to develop products at same level in excellence with international standards. The quality standard is taken care from the initial stage of production to ensure high end product quality.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of **PATELS AIRTEMP (INDIA) LIMITED**

Report on the Audit of the Standalone Financial Statements**Opinion**

We have audited the accompanying standalone financial statements of **PATELS AIRTEMP (INDIA) LIMITED** ("the company"), which comprise the Balance Sheet as at 31st March, 2020, the Statement of Profit & Loss (including other comprehensive Income), the statement of changes in equity and the Statement of Cash Flow for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements read together with significant accounting policies and accompanying notes thereon give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("IND AS") and other accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at 31st March, 2020, and its Profits (financial performance including other comprehensive income), the changes in equity and its cash flow for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the Code of Ethics issued by ICAI together with the ethical requirement that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the rules thereunder and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note-40 of the standalone financial statements of the Company which describes the management's assessment of the likely impact of uncertainties related to outbreak of COVID 19 global pandemic on the operations of the Company.

Our opinion is not qualified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by 'the Companies (Auditors' Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

“ANNEXURE B” TO THE INDEPENDENT AUDITORS’ REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF PATELS AIRTEMP (INDIA) LTD.

Referred to in paragraph 2(f) under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the standalone financial statements of the Company for the year ended March 31, 2020.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the internal financial controls over financial reporting of **PATELS AIRTEMP (INDIA) LIMITED**, (“the Company”) as of March 31, 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls:

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (IFCOFR) issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit or internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgments, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Control Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally-accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally-accepted accounting principles, and that receipts and expenditure of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

2. SIGNIFICANT ACCOUNTING POLICIES AND KEY ACCOUNTING ESTIMATES AND JUDGEMENTS:

(a) BASIS OF PREPARATION OF FINANCIAL STATEMENTS :

The financial statements have been prepared under the historical cost basis and in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015.

(b) USE OF ESTIMATES :

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting year end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

(c) PROPERTY, PLANT AND EQUIPMENT:

- i) Property, Plant and Equipment are stated at original cost (net of tax/duty credit availed) less accumulated depreciation and impairment losses. Cost includes cost of acquisition, construction and installation, taxes, duties, freight, other incidental expenses related to the acquisition, and pre-operative expenses including attributable borrowing costs incurred during pre-operational period.
- ii) Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit and loss during the reporting period in which they are incurred.
- iii) Assets which are not ready for their intended use on reporting date are carried as capital work-in-progress at cost, comprising direct cost and related incidental expenses.
- iv) On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment as at 1st April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.
- v) Property, Plant and Equipment including continuous process plants are depreciated and/or amortised on the basis of their useful lives as notified in Schedule II to the Companies Act, 2013. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.
- vi) Depreciation in respect of additions to assets has been charged on pro rata basis with reference to the period when the assets are ready for use. The provision for depreciation for multiple shifts has been made in respect of eligible assets on the basis of operation of respective units.
- vii) An asset's carrying amount is written down immediately on discontinuation to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in Profit/ Loss on Sale and Discard of Fixed Assets.

viii) Useful lives of the Property, Plant and Equipment as notified in Schedule II to the Companies Act, 2013 are as follows:

Buildings - 3 to 60 years

Plant and Equipments - 15 to 25 years

Furniture and Fixtures - 10 years

Vehicles - 8 to 10 years

Office Equipments - 5 to 10 years

ix) At each balance sheet date, the Company reviews the carrying amount of property, plant and equipment to determine whether there is any indication of impairment loss. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of impairment loss. The recoverable amount is higher of the net selling price and the value in use, determined by discounting the estimated future cash flows expected from the continuing use of the asset to their present value.

(d) INTANGIBLE ASSETS:

i) Intangible assets acquired by payment e.g. Computer Software are disclosed at cost less amortization on a straight-line basis over its estimated useful life.

ii) Intangible assets are carried at cost, net of accumulated amortization and impairment loss, if any.

iii) On transition to Ind AS, the Company has elected to continue with the carrying value of all of its intangible assets as at 1st April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the intangible assets.

iv) Intangible assets are amortized on straight-line method as follows:

Computer Software - 5 years

v) At each balance sheet date, the Company reviews the carrying amount of intangible assets to determine whether there is any indication of impairment loss. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of impairment loss. The recoverable amount is higher of the net selling price and the value in use, determined by discounting the estimated future cash flows expected from the continuing use of the asset to their present value.

(e) REVENUE RECOGNITION:

i) The Company derives revenues primarily from sale of manufactured goods and related services. Effective 01 April 2018, the Company has adopted Indian Accounting Standard 115 (Ind AS 115) - 'Revenue from contracts with customers' using the cumulative catch-up transition method, applied to contracts that were not completed as on the transition date i.e. 01 April 2018. Accordingly, the comparative amounts of revenue and the corresponding contract assets /liabilities have not been retrospectively adjusted. The effect on adoption of Ind-AS 115 was insignificant.

Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services.

The Company satisfies a performance obligation and recognizes revenue over time, if one of the following criteria is met:

1. The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Group performs; or
2. The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or

3. The Company's performance does not create an asset with an alternative use to the Company and an entity has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions is not met, revenue is recognized at the point in time at which the performance obligation is satisfied.

Revenue from sale of products and services are recognized at a time on which the performance obligation is satisfied

- ii) Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.
- iii) Other income is recognized when there is certainty of its being realized.

(f) EMPLOYEE BENEFITS:

- i) Short-term employee benefits are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered.
- ii) Post-Employment and Retirement benefits in the form of Gratuity are considered as defined benefit obligations and is provided for on the basis of third party actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet. Every Employee who has completed five years or more of service is entitled to Gratuity on terms not less favourable than the provisions of The Payment of Gratuity Act, 1972.
- iii) The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of reporting period on government bonds that have terms approximating to the terms of the related obligation.
- iv) Employee benefits in the form of Provident Fund is considered as defined contribution plan and the contributions to Employees' Provident Fund Organization established under The Employees' Provident Fund and Miscellaneous Provisions Act 1952 is charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due. The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid.

(g) VALUATION OF INVENTORIES

- i) The cost of inventories have been computed to include all cost of purchases, cost of conversion and other related costs incurred in bringing the inventories to their present location and condition. The costs of Raw Materials, Stores and spare parts etc., consumed consist of purchase price including duties and taxes (other than those subsequently recoverable by the enterprise from the taxing authorities), freight inwards and other expenditure directly attributable to the procurement.
- ii) Stock of Raw Materials are valued at cost and of those in transit and at port related to these items are valued at cost to date. Goods and materials in transit are valued at actual cost incurred upto the date of balance sheet. Material and supplies held for use in the production of inventories are not written down if the finished products in which they will be used are expected to be sold at or above cost.
- iii) Stock in respect of Work-in-process, Stores and spare parts, and Tools & Spares are valued at cost;
- iv) Stock of Finished goods and stock-in –trade is valued at lower of cost or net realizable value.

(h) CASHFLOW STATEMENT:

- i) Cash flows are reported using indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from regular revenue generating, financing and investing activities of the Company is segregated.

- ii) Cash and cash equivalents in the balance sheet comprise cash at bank, cash/cheques in hand and short term investments with an original maturity of three months or less.

(i) **FINANCIALASSETS:**

- i) The Company classifies its financial assets as those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those to be measured at amortized cost.
- ii) Trade receivables are impaired using the lifetime expected credit loss model under simplified approach. The Company uses a matrix to determine the impairment loss allowance based on its historically observed default rates over expected life of trade receivables and is adjusted for forward looking estimates. At every reporting date, the impairment loss allowance is determined and updated and the same is deducted from Trade Receivables with corresponding charge/credit to Profit and Loss.
- iii) A financial asset is derecognized only when the Company has transferred the rights to receive cash flows from the financial asset, or when it has transferred substantially all the risks and rewards of the asset, or when it has transferred the control of the asset.

(j) **FINANCIALLIABILITIES:**

- i) Borrowings are initially recognized and subsequently measured at amortized cost, net of transaction costs incurred. The transaction costs is amortized over the period of borrowings using the effective interest method in Capital Work in Progress upto the commencement of related Plant, Property and Equipment and subsequently under finance costs in profit and loss account.
- ii) Borrowings are removed from balance sheet when the obligation specified in the contract is discharged, cancelled or expired.
- iii) Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.
- iv) Trade Payables represent liabilities for goods and services provided to the Company upto to the end of the financial year. The amounts are unsecured and are usually paid as per the terms of payment agreed with the vendors. The amounts are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially and subsequently measured at amortized cost.
- v) Financial assets and Financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

(k) **FAIRVALUE MEASUREMENT:**

- i) Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company.
- ii) The fair value of an asset or liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.
- iii) A fair value measurement of a non- financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.
- iv) The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

(l) FOREIGN CURRENCY TRANSACTIONS:

- i) The Company's financial statements are presented in Indian Rupees ('INR'), which is also the Company's functional currency.
- ii) Foreign currency transactions are recorded on initial recognition in the functional currency, using the exchange rate at the date of the transaction. At each balance sheet date, foreign currency monetary items are reported using the closing exchange rate. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rate are recognised as income or expenses in the period in which they arise.
- iii) Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rate at the date when the fair value is determined.

(m) BORROWING COSTS:

- i) Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds.
- ii) General and specific borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets during the period of time that is required to complete and prepare the asset for its intended use. A qualifying asset is one that takes necessarily substantial period of time to get ready for its intended use.
- iii) All other borrowing costs are expensed in the period in which they are incurred.

(n) ACCOUNTING FOR TAXES ON INCOME:

- i) Tax expenses comprise of current tax and deferred tax including applicable surcharge and cess.
- ii) Current Income tax is computed using the tax effect accounting method, where taxes are accrued in the same period in which the related revenue and expenses arise. A provision is made for income tax annually, based on the tax liability computed, after considering tax allowances and exemptions. Provisions are recorded when it is estimated that a liability due to disallowances or other matters is probable.
- iii) Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profits against which the deductible temporary differences, and the carry forward unused tax credits and unused tax losses can be utilized.
- iv) The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilized. Un recognized deferred tax assets are reassessed at each reporting date and are recognized to the extent that it is become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on the tax rates and tax laws that have been enacted or substantively enacted at the reporting date.
- v) Deferred tax is recognised in the statement of profit and loss, except to the extent that it relates to items recognised in other comprehensive income. As such, deferred tax is also recognised in other comprehensive income.

vi) Deferred Tax Assets and Deferred Tax Liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the Deferred Tax Assets and Deferred Tax Liabilities relate to taxes on income levied by same governing taxation laws.

(o) **PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS:**

- i) Provisions are made when (a) the Company has a present legal or constructive obligation as a result of past events; (b) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and (c) a reliable estimate is made of the amount of the obligation.
- ii) Contingent liabilities are not provided for but are disclosed by way of Notes on Accounts. Contingent liabilities is disclosed in case of a present obligation from past events (a) when it is not probable that an outflow of resources will be required to settle the obligation; (b) when no reliable estimate is possible; (c) unless the probability of outflow of resources is remote.
- iii) Contingent assets are not accounted but disclosed by way of Notes on Accounts where the inflow of economic benefits is probable.

(p) **CURRENT AND NON-CURRENT CLASSIFICATION:**

- i) The Normal Operating Cycle for the Company has been assumed to be of twelve months for classification of its various assets and liabilities into "Current" and "Non-Current".
- ii) The Company presents assets and liabilities in the balance sheet based on current and non-current classification.
- iii) An asset is current when it is (a) expected to be realized or intended to be sold or consumed in normal operating cycle; (b) held primarily for the purpose of trading; (c) expected to be realized within twelve months after the reporting period; (d) Cash and cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.
- iv) An liability is current when (a) it is expected to be settled in normal operating cycle; (b) it is held primarily for the purpose of trading; (c) it is due to be discharged within twelve months after the reporting period; (d) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. All other liabilities are classified as non-current.

(q) **EARNING PER SHARE:**

- i) Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.
- ii) For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(r) **EXPENSES FOR CORPORATE SOCIAL RESPONSIBILITY:**

In case of CSR activities undertaken by the Company, if any expenditure of revenue nature is incurred or an irrevocable contribution is made to any agency to be spent by the latter on any of the activities mentioned in Schedule VII to the Companies Act, 2013, the same is charged as an expense to its Statement of Profit and Loss.

Based on the information available with the Company, as at the year end, there are no dues to micro and small Enterprises that are reportable under the MSMED Act, 2006;

38. EMPLOYEE BENEFIT OBLIGATION

As per Indian Accounting Standard (Ind AS) 19 "Employee Benefits", the disclosures of Employee benefits as defined in the Accounting Standard are given below:

Defined Contribution Plan:

i) Contribution to Defined Contribution Plan, recognized as expense for the year is as under:
(Amount ₹)

Particulars	2019-20	2018-19
Employer's Contribution to Provident Fund	39,32,747	31,08,493

- ii) Defined Contribution Plan: Employee benefits in the form of Provident Fund are considered as defined contribution plan and the contributions to Employees Provident Fund Organization established under The Employees Provident Fund and Miscellaneous Provisions Act 1952 and Employees State Insurance Act, 1948, respectively, are charged to the profit and loss account of the year when the contributions to the respective funds are due.
- iii) Defined Benefit Plan: Retirement benefits in the form of Gratuity are considered as defined benefit obligation and are provided for on the basis of third party actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet. Every Employee who has completed five years or more of service is entitled to Gratuity on terms not less favorable than the provisions of The Payment of Gratuity Act, 1972.
- iv) Following are the risks associated with the plan:

Interest rate risk:

A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

Salary Risk:

The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Investment Risk:

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

Asset Liability Matching Risk:

The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

Mortality risk:

Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

Concentration Risk:

Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very less as insurance companies have to follow regulatory guidelines.

- 39.** The Company has elected to exercise the option permitted u/s 115BAA of the Income- tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. The Company has accordingly recognized Provision for Income tax for the year ended 31st March, 2020 and re-measured its net Deferred Tax Assets and Liabilities basis the rate prescribed in the said section. The impact of this change has been recognized in the Statement of Profit and Loss for the year ended 31st March, 2020. These standalone financial statements are prepared on the basis that the Company would avail the option to pay income tax at the lower rate. Consequently, the opening deferred tax asset (net) has been measured at the lower rate, with a one-time corresponding credit of Rs.26,46,128/- to the statement of profit or loss for the year under review.
- 40.** The operations of the Company were impacted on account of temporary shutdown of its plant effective from 24th March 2020 following nationwide lockdown announced by the Government on account of Covid-19 global pandemic. However, after seeking the required permission from the concerned Authorities, the Company has restarted its plant from 23rd April,2020 in a phased manner. Management has taken all the necessary measures from time to time to comply with the directions issued by the local authorities and state government to prevent and contain the spread of coronavirus including temporary shutdown of its plant and offices during the nationwide lockdown. The Company's

management has made initial assessment of likely adverse impact on business and financial risks and believes that the impact is likely to be short term in nature. The management does not see any medium to long term risks in the Company's ability to continue as a going concern and meeting its liabilities as and when they fall due.

Further, the management of the Company has prepared cash flow projections, assessed the impact on operations and also assessed the recoverability of receivables, inventories, impairment of its property, plant & equipment using various internal and external information up to date of approval of these financial results. On the basis of evaluation and having regard to current indicators of future economic conditions, the Company management expects to recover the carrying amount of these assets and does not anticipate any impairment to any of its financial and non-financial assets on going concern basis.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of **PATELS AIRTEMP (INDIA) LIMITED**

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated financial statements of **PATELS AIRTEMP (INDIA) LIMITED** ("the Parent") and its subsidiary (the Parent and its subsidiary together referred to as "the Group") , which comprise the Consolidated Balance Sheet as at 31st March, 2020, the Consolidated Statement of Profit & Loss (including other comprehensive Income), the Consolidated statement of changes in equity and the Consolidated Statement of Cash Flow for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements read together with significant accounting policies and accompanying notes thereon give the information required by the Companies Act,2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("IND AS") and other accounting principles generally accepted in India, of the state of affairs (financial position) of the Group as at 31st March, 2020, and its Profits (financial performance including other comprehensive income), the changes in equity and its cash flow for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the Code of Ethics issued by ICAI together with the ethical requirement that are relevant to our audit of the financial statements under the provisions of the Companies Act,2013 and the rules thereunder and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note-39 of the consolidated financial statements which describes the management's assessment of the likely impact of uncertainties related to outbreak of COVID 19 global pandemic on the operations of the Group.

Our opinion is not qualified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Parent's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the Consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Consolidated Financial Statements

The Parent's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position and financial performance of the Group in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going

concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters:

The Consolidated Financial Statements includes unaudited financial statements and other unaudited financial information in respect of a subsidiary, whose financial statements reflect total assets of Rs.15.53 lakhs as at March 31, 2020, total revenues of Rs.0.35 lakhs and net cash outflow of Rs.15.53 lakhs for the year then ended. These unaudited financial statements and other unaudited financial information have been furnished to us as certified by the management. Our opinion, in so far as it relates to amounts and disclosures included in respect of this subsidiary, is based solely on the unaudited financial statements and other unaudited financial information as certified by the management.

Report on Other Legal and Regulatory Requirements

As required by section 143(3) of the Act, based on our audit and on the consideration of the management certified separate financial statements of its subsidiary, referred in the Other Matters paragraph above we report, to the extent applicable,

- a) We have sought & obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b) In our opinion, proper books of account as required by law relating to the preparation of consolidated financial statements have been kept by the company so far as appears from our examination of those books;
- c) The Consolidated Balance sheet, Consolidated statement of Profit & Loss (including other comprehensive income), the Consolidated statement of Changes in equity and the Consolidated Cash Flow Statement dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standard) Rules 2016
- e) On the basis of the written representation received from the directors as on 31st March, 2020 taken on record by Board of Directors of Parent, none of the director is disqualified as on 31st March, 2020 from being appointed as a director in terms of section 164(2) of the Companies Act, 2013.

- f) With respect to the adequacy of the internal financial control over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in “Annexure”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Group’s internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor’s report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion, the managerial remuneration for the year ended March 31, 2020 has been paid/ provided by the Group to its directors in accordance with the provisions of Section 197 read with Schedule V to the Act;
- h) With respect to other matters to be included in the Auditors’ Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i) The Group has made disclosure of pending litigations which would impact its consolidated financial statements.
 - ii) The Group did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group.

“Annexure” to the Independent Auditors’ Report of even date on the Consolidated Financial Statements of PATELS AIRTEMP (INDIA) LIMITED,

Referred to in paragraph 2(f) under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the Consolidated financial statements of the Company for the year ended March 31, 2020.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”).

We have audited the internal financial controls over financial reporting of **PATELS AIRTEMP (INDIA) LIMITED**, (“the Company”) as of March 31, 2020 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date. The Company did not have any subsidiary which is incorporated in India.

Management’s Responsibility for Internal Financial Controls:

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (IFCOFR) issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit

of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit or internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgments, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Control Over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally-accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally-accepted accounting principles, and that receipts and expenditure of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI. The Company did not have any subsidiary which is incorporated in India.

NOTES FORMING INTEGRAL PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

1. GROUP'S BACKGROUND

The consolidated financial statements comprise financial statements of Patels Airtemp (India) Limited (the Parent) and its subsidiary (collectively, the Group) for the financial year ended on 31st March, 2020. The Parent is a Public Company domiciled in India and incorporated on 10.06.1992. The Parent is engaged in the manufacture and sale of extensive range of Heat Exchangers such as Shell & Tube Type, Finned Tube Type and Air Cooled Heat Exchangers, Pressure Vessels, Air-conditioning and Refrigeration equipments and Turnkey HVAC Projects in India & marketing of equipments even outside India. All these products are supplied to leading Industrial Sections like Power Projects, Refineries, Fertilizers, Cements, Petrochemicals, Pharmaceuticals, Textile and Chemical Industries.

2. SIGNIFICANT ACCOUNTING POLICIES AND KEY ACCOUNTING ESTIMATES AND JUDGEMENTS:

(a) BASIS OF PREPARATION OF FINANCIAL STATEMENTS :

These financial statements are the consolidated financial statements of the Group prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 read together with the Companies (Indian Accounting Standards) Rules, 2015 (As amended).

These consolidated financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these consolidated financial statements.

(b) BASIS OF CONSOLIDATION

The consolidated financial statements incorporate the financial statements of the Company and entities controlled by the Company. Control is achieved where the Company:

- has power over the investee
- is exposed to, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns

The Company reassess whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

When the Company has less than majority of the voting rights of an investee, it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally. The Company considers all relevant facts and circumstances in assessing whether or not the Company's voting rights in an entity are sufficient to give it power.

Consolidation of a subsidiary begins when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated statement of profit or loss and other comprehensive income from the date the Company gains control until the date when the Company ceases to control the subsidiary.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Company and to the non-controlling interests. Total comprehensive income of subsidiary is attributed to the owners of the Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

When necessary, adjustments are made to the financial statements of subsidiary to bring their accounting policies in line with the Group's accounting policies.

All intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

(c) **USE OF ESTIMATES :**

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the consolidated financial statements and the results of operations during the reporting year end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

(d) **PROPERTY, PLANT AND EQUIPMENT:**

- i) Property, Plant and Equipment are stated at original cost (net of tax/duty credit availed) less accumulated depreciation and impairment losses. Cost includes cost of acquisition, construction and installation, taxes, duties, freight, other incidental expenses related to the acquisition, and pre-operative expenses including attributable borrowing costs incurred during pre-operational period.
- ii) Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit and loss during the reporting period in which they are incurred.
- iii) Assets which are not ready for their intended use on reporting date are carried as capital work-in-progress at cost, comprising direct cost and related incidental expenses.
- iv) On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment as at 1st April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.
- v) Property, Plant and Equipment including continuous process plants are depreciated and/or amortised on the basis of their useful lives as notified in Schedule II to the Companies Act, 2013. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.
- vi) Depreciation in respect of additions to assets has been charged on pro rata basis with reference to the period when the assets are ready for use. The provision for depreciation for multiple shifts has been made in respect of eligible assets on the basis of operation of respective units.
- vii) An asset's carrying amount is written down immediately on discontinuation to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in Profit/ Loss on Sale and Discard of Fixed Assets.
- viii) Useful lives of the Property, Plant and Equipment as notified in Schedule II to the Companies Act, 2013 are as follows:
 - Buildings - 3 to 60 years
 - Plant and Equipments - 15 to 25 years
 - Furniture and Fixtures - 10 years
 - Vehicles - 8 to 10 years
 - Office Equipments - 5 to 10 years
- ix) At each balance sheet date, the Company reviews the carrying amount of property, plant and equipment to determine whether there is any indication of impairment loss. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of impairment loss. The recoverable amount is higher of the net selling price and the value in use, determined by discounting the estimated future cash flows expected from the continuing use of the asset to their present value.

(e) INTANGIBLE ASSETS:

- i) Intangible assets acquired by payment e.g. Computer Software are disclosed at cost less amortization on a straight-line basis over its estimated useful life.
- ii) Intangible assets are carried at cost, net of accumulated amortization and impairment loss, if any.
- iii) On transition to Ind AS, the Company has elected to continue with the carrying value of all of its intangible assets as at 1st April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the intangible assets.
- iv) Intangible assets are amortized on straight-line method as follows:
Computer Software - 5 years
- v) At each balance sheet date, the Company reviews the carrying amount of intangible assets to determine whether there is any indication of impairment loss. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of impairment loss. The recoverable amount is higher of the net selling price and the value in use, determined by discounting the estimated future cash flows expected from the continuing use of the asset to their present value.

(f) REVENUE RECOGNITION:

- i) The Company derives revenues primarily from sale of manufactured goods and related services. Effective 01 April 2018, the Company has adopted Indian Accounting Standard 115 (Ind AS 115) - 'Revenue from contracts with customers' using the cumulative catch-up transition method, applied to contracts that were not completed as on the transition date i.e. 01 April 2018. Accordingly, the comparative amounts of revenue and the corresponding contract assets /liabilities have not been retrospectively adjusted. The effect on adoption of Ind-AS 115 was insignificant.

Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services.

The Company satisfies a performance obligation and recognizes revenue over time, if one of the following criteria is met:

1. The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Group performs; or
2. The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
3. The Company's performance does not create an asset with an alternative use to the Company and an entity has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions is not met, revenue is recognized at the point in time at which the performance obligation is satisfied.

Revenue from sale of products and services are recognized at a time on which the performance obligation is satisfied

- ii) Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.
- iii) Other income is recognized when there is certainty of its being realized.

(g) INVESTMENTS :

Non-Current Investments in subsidiary company are accounted for at amortized cost. Other Investments are accounted at fair value through profit or loss account (FVTPL).

(h) **EMPLOYEE BENEFITS:**

- i) Short-term employee benefits are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered.
- ii) Post-Employment and Retirement benefits in the form of Gratuity are considered as defined benefit obligations and is provided for on the basis of third party actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet. Every Employee who has completed five years or more of service is entitled to Gratuity on terms not less favourable than the provisions of The Payment of Gratuity Act, 1972.
- iii) The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of reporting period on government bonds that have terms approximating to the terms of the related obligation.
- iv) Employee benefits in the form of Provident Fund is considered as defined contribution plan and the contributions to Employees' Provident Fund Organization established under The Employees' Provident Fund and Miscellaneous Provisions Act 1952 is charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due. The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid.

(i) **VALUATION OF INVENTORIES**

- i) The cost of inventories have been computed to include all cost of purchases, cost of conversion and other related costs incurred in bringing the inventories to their present location and condition. The costs of Raw Materials, Stores and spare parts etc., consumed consist of purchase price including duties and taxes (other than those subsequently recoverable by the enterprise from the taxing authorities), freight inwards and other expenditure directly attributable to the procurement.
- ii) Stock of Raw Materials are valued at cost and of those in transit and at port related to these items are valued at cost to date. Goods and materials in transit are valued at actual cost incurred upto the date of balance sheet. Material and supplies held for use in the production of inventories are not written down if the finished products in which they will be used are expected to be sold at or above cost.
- iii) Stock in respect of Work-in-process, Stores and spare parts, and Tools & Spares are valued at cost;
- iv) Stock of Finished goods and stock-in-trade is valued at lower of cost or net realizable value.

(j) **CASHFLOW STATEMENT:**

- i) Cash flows are reported using indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from regular revenue generating, financing and investing activities of the Company is segregated.
- ii) Cash and cash equivalents in the balance sheet comprise cash at bank, cash/cheques in hand and short term investments with an original maturity of three months or less.

(k) **FINANCIALASSETS:**

- i) The Company classifies its financial assets as those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those to be measured at amortized cost.
- ii) Trade receivables are impaired using the lifetime expected credit loss model under simplified approach. The Company uses a matrix to determine the impairment loss allowance based on its historically observed default rates over expected life of trade receivables and is adjusted for

forward looking estimates. At every reporting date, the impairment loss allowance is determined and updated and the same is deducted from Trade Receivables with corresponding charge/ credit to Profit and Loss.

- iii) A financial asset is derecognized only when the Company has transferred the rights to receive cash flows from the financial asset, or when it has transferred substantially all the risks and rewards of the asset, or when it has transferred the control of the asset.

(l) **FINANCIAL LIABILITIES:**

- i) Borrowings are initially recognized and subsequently measured at amortized cost, net of transaction costs incurred. The transaction costs is amortized over the period of borrowings using the effective interest method in Capital Work in Progress upto the commencement of related Plant, Property and Equipment and subsequently under finance costs in profit and loss account.
- ii) Borrowings are removed from balance sheet when the obligation specified in the contract is discharged, cancelled or expired.
- iii) Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period.
- iv) Trade Payables represent liabilities for goods and services provided to the Company upto to the end of the financial year. The amounts are unsecured and are usually paid as per the terms of payment agreed with the vendors. The amounts are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially and subsequently measured at amortized cost.
- v) Financial assets and Financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

(m) **FAIRVALUE MEASUREMENT:**

- i) Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company.
- ii) The fair value of an asset or liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.
- iii) A fair value measurement of a non- financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.
- iv) The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

(n) **FOREIGN CURRENCY TRANSACTIONS:**

- i) The Company's financial statements are presented in Indian Rupees ('INR'), which is also the Company's functional currency.
- ii) Foreign currency transactions are recorded on initial recognition in the functional currency, using the exchange rate at the date of the transaction. At each balance sheet date, foreign currency monetary items are reported using the closing exchange rate. Exchange differences

that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rate are recognised as income or expenses in the period in which they arise.

- iii) Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rate at the date when the fair value is determined.

(o) **BORROWING COSTS:**

- i) Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds.
- ii) General and specific borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets during the period of time that is required to complete and prepare the asset for its intended use. A qualifying asset is one that takes necessarily substantial period of time to get ready for its intended use.
- iii) All other borrowing costs are expensed in the period in which they are incurred.

(p) **ACCOUNTING FOR TAXES ON INCOME:**

- i) Tax expenses comprise of current tax and deferred tax including applicable surcharge and cess.
- ii) Current Income tax is computed using the tax effect accounting method, where taxes are accrued in the same period in which the related revenue and expenses arise. A provision is made for income tax annually, based on the tax liability computed, after considering tax allowances and exemptions. Provisions are recorded when it is estimated that a liability due to disallowances or other matters is probable.
- iii) Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profits against which the deductible temporary differences, and the carry forward unused tax credits and unused tax losses can be utilized.
- iv) The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilized. Un recognized deferred tax assets are reassessed at each reporting date and are recognized to the extent that it is become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on the tax rates and tax laws that have been enacted or substantively enacted at the reporting date.
- v) Deferred tax is recognised in the statement of profit and loss, except to the extent that it relates to items recognised in other comprehensive income. As such, deferred tax is also recognised in other comprehensive income.
- vi) Deferred Tax Assets and Deferred Tax Liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the Deferred Tax Assets and Deferred Tax Liabilities relate to taxes on income levied by same governing taxation laws.

(q) **PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS:**

- i) Provisions are made when (a) the Company has a present legal or constructive obligation as a result of past events; (b) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and (c) a reliable estimate is made of the amount of the obligation.
- ii) Contingent liabilities are not provided for but are disclosed by way of Notes on Accounts. Contingent liabilities is disclosed in case of a present obligation from past events (a) when it is not probable that an outflow of resources will be required to settle the obligation; (b) when no reliable estimate is possible; (c) unless the probability of outflow of resources is remote.
- iii) Contingent assets are not accounted but disclosed by way of Notes on Accounts where the inflow of economic benefits is probable.

(r) **CURRENT AND NON-CURRENT CLASSIFICATION:**

- i) The Normal Operating Cycle for the Company has been assumed to be of twelve months for classification of its various assets and liabilities into "Current" and "Non-Current".
- ii) The Company presents assets and liabilities in the balance sheet based on current and non-current classification.
- iii) An asset is current when it is (a) expected to be realized or intended to be sold or consumed in normal operating cycle; (b) held primarily for the purpose of trading; (c) expected to be realized within twelve months after the reporting period; (d) Cash and cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.
- iv) An liability is current when (a) it is expected to be settled in normal operating cycle; (b) it is held primarily for the purpose of trading; (c) it is due to be discharged within twelve months after the reporting period; (d) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. All other liabilities are classified as non-current.

(s) **EARNING PER SHARE:**

- i) Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.
- ii) For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(t) **EXPENSES FOR CORPORATE SOCIAL RESPONSIBILITY:**

In case of CSR activities undertaken by the Company, if any expenditure of revenue nature is incurred or an irrevocable contribution is made to any agency to be spent by the latter on any of the activities mentioned in Schedule VII to the Companies Act, 2013, the same is charged as an expense to its Statement of Profit and Loss.

The management has identified micro and small enterprises as defined under Micro, Small and Medium Enterprises Development Act, 2006 (MSMED) on the basis of information made available by the supplier or vendors of the Company. Based on the information available with the Company, as at the year end, there are no dues to micro and small Enterprises that are reportable under the MSMED Act, 2006;

37. EMPLOYEE BENEFIT OBLIGATION

As per Indian Accounting Standard (Ind AS) 19 "Employee Benefits", the disclosures of Employee benefits as defined in the Accounting Standard are given below:

Defined Contribution Plan:

i) Contribution to Defined Contribution Plan, recognized as expense for the year is as under:
(Amount ₹)

Particulars	2019-20	2018-19
Employer's Contribution to Provident Fund	39,32,747	31,08,493

- ii) Defined Contribution Plan: Employee benefits in the form of Provident Fund are considered as defined contribution plan and the contributions to Employees Provident Fund Organization established under The Employees Provident Fund and Miscellaneous Provisions Act 1952 and Employees State Insurance Act, 1948, respectively, are charged to the profit and loss account of the year when the contributions to the respective funds are due.
- iii) Defined Benefit Plan: Retirement benefits in the form of Gratuity are considered as defined benefit obligation and are provided for on the basis of third party actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet. Every Employee who has completed five years or more of service is entitled to Gratuity on terms not less favorable than the provisions of The Payment of Gratuity Act, 1972.
- iv) Following are the risks associated with the plan:

Interest rate risk:

A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

Salary Risk:

The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Investment Risk:

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

Asset Liability Matching Risk:

The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

Mortality risk:

Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

Concentration Risk:

Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very less as insurance companies have to follow regulatory guidelines.

- 38.** The Company has elected to exercise the option permitted u/s 115BAA of the Income- tax Act, 1961 as introduced by the Taxation Laws (Amendment) Ordinance, 2019. The Company has accordingly recognized Provision for Income tax for the year ended 31st March, 2020 and re-measured its net Deferred Tax Assets and Liabilities basis the rate prescribed in the said section. The impact of this change has been recognized in the Statement of Profit and Loss for the year ended 31st March, 2020. These standalone financial statements are prepared on the basis that the Company would avail the option to pay income tax at the lower rate. Consequently, the opening deferred tax asset (net) has been measured at the lower rate, with a one-time corresponding credit of Rs.26,46,128/- to the statement of profit or loss for the year under review.
- 39.** The operations of the Company were impacted on account of temporary shutdown of its plant effective from 24th March 2020 following nationwide lockdown announced by the Government on account of Covid-19 global pandemic. However, after seeking the required permission from the concerned Authorities, the Company has restarted its plant from 23rd April, 2020 in a phased manner. Management has taken all the necessary measures from time to time to comply with the directions issued by the local authorities and state government to prevent and contain the spread of coronavirus including temporary shutdown of its plant and offices during the nationwide lockdown. The Company's

management has made initial assessment of likely adverse impact on business and financial risks and believes that the impact is likely to be short term in nature. The management does not see any medium to long term risks in the Company's ability to continue as a going concern and meeting its liabilities as and when they fall due.

Further, the management of the Company has prepared cash flow projections, assessed the impact on operations and also assessed the recoverability of receivables, inventories, impairment of its property, plant & equipment using various internal and external information up to date of approval of these financial results. On the basis of evaluation and having regard to current indicators of future economic conditions, the Company management expects to recover the carrying amount of these assets and does not anticipate any impairment to any of its financial and non-financial assets on going concern basis.
